

SAMPLE DOCUMENT - FICTIONAL - NOT A REAL DOCUMENT
PUNE COMMUNITY EYE TRUST - LETTERHEAD

To whom it may concern,

Lakshmi has volunteered at our Sunday screening camp since the middle of 2024. She registers patients, explains each test in plain language and stays until the last patient has been seen.

In two years she has missed only three Sundays. Patients ask for her by name.

She would be a credit to any hospital.

Yours sincerely,

Referee name: Dr Rohan Kulkarni
Position: Volunteer Coordinator
Organisation: Pune Community Eye Trust
Relationship: Volunteer supervisor
