

SAMPLE DOCUMENT - FICTIONAL - NOT A REAL DOCUMENT
HUE APPLIED CHEMISTRY LABORATORY - LETTERHEAD

To whom it may concern,

I have known Nguyet for five years and have watched her grow into a careful and thoughtful young scientist.

She first joined my research group in January 2026 and since then she has prepared samples, kept clear records and helped train two new assistants. Her notebooks are the neatest in the laboratory.

I recommend her warmly.

Yours sincerely,

Referee name: Dr Pham Thi Lan
Position: Principal Researcher
Organisation: Hue Applied Chemistry Laboratory
Relationship: Research supervisor
