RIVERBEND INSTITUTE - LETTERHEAD

To the Assessment Panel,

I am writing to support Dhruv's application for the Study in Australia's Northern Territory Scholarship.

Dhruv has been a dedicated member of our programme and consistently shows diligence in everything he does.

In class he asks thoughtful questions, helps classmates who are struggling and finishes every project on time. Colleagues describe Dhruv as generous and dependable, and he has represented the institute at two regional events.

Outside the classroom, Dhruv organises study groups, volunteers at community days and mentors younger students. I believe the Northern Territory would benefit greatly from his energy, curiosity and commitment to others.

I give Dhruv my strongest recommendation and I am happy to answer any questions about his work.

Yours sincerely,
